1. Comment. The bulk of the 7th Gds Tank Div. is stationed in the Werder-Markendorf summer camp at Jueterbog. Units of the division, which remained in Dessau-Rosslau, are still practicing in the Oranienbaum training area southeast of Dessau. the motor vehicles seen en route to the installation are believed to belong to the 7th Gds Tank Div. (O-block), and army troops of the Third Gds Mecz Army (Kh-block).

2. Comment. Only elements of the units of the 7th Gds Tank Div., which remained in the Kochstedt Kaserne, presumably the 4th Gds Mtrcl Bn, and units of the 62d AAA Div were at the installation, while other elements received field training. The motor vehicle observed in Kochstedt are believed to belong to the 62d AAA Div. stationed there. Major elements of the 62d AAA Div transferred to Wustrow in 3 shipments on 8 July. See

5. Comment. Signal units of GSFG and, possibly, the Third Shock Army are quite definitely believed to have returned from the command-post exercise, which presumably terminated in the Lossa training area. [redacted] one train each went to Wuensdorf and Drewitz (Stahnsdorf) on 22 July. 25X1
